

CREATING IBM CLOUD SERVICE

Date	04 NOVEMBER 2022
Team ID	PNT2022TMID28837
Project Name	SMART WASTE MANAGEMENT FOR METROPOLITAN CITIES

The screenshot displays the IBM Cloud dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes a search bar, navigation links for 'Catalog' and 'Manage', and a user profile for 'vempalli kameswar red...'. The main content area is titled 'Dashboard' and features a 'For you' section with five cards: 'Build', 'Get Started with Watson Studio', 'Build a web app with Watson Speech to Text', 'Use Speech to Text', and 'Use Text to Speech'. Each card includes a brief description and a 'Getting started' button. Below this, there are four sections: 'News' (with links to various articles), 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status' (showing a world map). The bottom of the image shows a Windows taskbar with the search bar and several application icons.

An IBM cloud service created Successfully .
